

Infant Rolling over Parent Statement for Infant Less Than Six Months Old

Name: _____ Date of Birth: _____

An infant who independently rolls onto its stomach after being placed to sleep on its back may be allowed to remain sleeping on its stomach if the infant is at least six months of age or Early Einsteins has a signed statement from the parent indicating that the infant regularly rolls over at home. Minnesota Statutes, section 245A.1435

By completing this form, I (the parent) attest that my infant independently and regularly rolls over onto its stomach after being placed to sleep on its back. I (the parent) acknowledge that while in the care of Early Einsteins, my infant will be placed on its back to sleep and that when my infant independently rolls over onto its stomach while sleeping, Early Einsteins may allow my infant to remain sleeping on its stomach.
